Authorization

I understand that participation in GloTheory photography and video recording is completely voluntary and is not required to receive services. My selections above indicate whether I authorize GloTheory to capture photographs and/or video and whether authorized content may be used publicly.

If I authorize public use, I permit GloTheory to use approved photographs or recordings for its portfolio, website, social media, marketing, promotional, or educational materials without compensation to me. GloTheory will not intentionally disclose private treatment information through published content. I understand that content published online or on social media may be viewed, shared, or saved by others outside of GloTheory's control.

I understand that declining photography, video recording, or public use will not affect my ability to receive services from GloTheory. I may withdraw permission for future use by contacting GloTheory in writing. I understand that withdrawal may not remove materials that were previously published, distributed, or shared before GloTheory received my request.
